A horizontal line drawn across a time series indicates substantial breaks in the homogeneity of the series.

Taulukoiden luvut on pyöristetty erikseen, minkä vuoksi summat eivät aina täsmää.

The figures in the tables have been rounded separately and therefore the sums do not always match.

Puumäärät on ilmaistu kuorellisina kuutiometreinä (m³), ellei toisin mainita.

Wood quantities are expressed in cubic metres, solid volume overbark (m³), unless otherwise indicated.
