

**Combined FutMon/ICP Forests Expert Meeting  
Tampere, Finland, February 2010:**

**Meeting of the ICP Forests Expert Panel on Deposition**

Friday 19.2.2010, 8.00-12.00, Meeting room OLYMPIA

The draft agenda:

08:00-10:00 The test of harmonized samplers being carried out under FutMon (Daniel Žlindra)

10:00-10:20 Coffee

10:20-11:00 Other studies, e.g. on temperature effects (Karin Hansen, Peter Waldner)

11:00-11:45 QA/QC issues, including changes to the deposition sub-manual (Nicholas Clarke). Sampling and non-sampling errors (Aldo Marchetto)

11:45-12:00 Other business (Nicholas Clarke)

If someone would like to participate in any of the topics above, please let Nicholas Clarke and me know. Of course it's possible that some of your colleagues can present your work if you will not participate in that meeting.

Best regards,

Daniel Žlindra & Nicholas Clarke
